The Three Secrets to Sharing the Faith by Trent Horn

Want to tell others about your Catholic Faith, but don't know where to start? Afraid you're not smart enough, knowledgeable enough, or outgoing enough? Don't worry, says Catholic Answers apologist Trent Horn. With a few simple tips and a little practice, anyone can be an effective apostle and evangelist. In *The Three Secrets to Sharing the Faith*,

Sacrifice | The Catholic Parent | Episode 4

It's an understatement to say marriage demands a lot. Family life and raising children demand even more. Isn't fulfilling those duties enough? Why does the Church teach that we should fast, and what does that mean practically? In this episode, Sr. Rachel Marie discusses these questions alongside the real-life witness of Catholic families. Turning to the story of St. Gianna Beretta Molla will leave you with the confidence needed to practice fasting as a family.

Retrouvaille is a marriage help program that gives couples the opportunity to sign off, get away, and examine their lives together in a real and realistic way. It's based on the belief that marriage is the most significant relationship on earth and is worth investing your time, energy and efforts to make it the best it can be. ADDRESSING THE SUFFERING INFLICTED BY CLERGY ABUSE

An Open Letter to the Faithful from The Most Rev. Joseph V. Brennan

Diocese of Fresno Implements Plan to Fairly Compensate Victims

May 28, 2024

Brothers and Sisters,

The Catholic Church has made great progress in protecting the young and vulnerable and creating a safe environment for all, but it is still on its journey of dealing with the issue and atoning for the sin of clergy sexual abuse. Our pledge to protect our youth is an ongoing effort that will continue to be a top priority for me and our Diocese. Victims of abuse endure a lifetime of pain, and we as Catholics must commit to a lifetime of atonement.

A recent development in the journey, of which you are most likely aware, is the California State law which opened a three-year window for individuals to bring forward otherwise barred or expired claims for sexual abuse suffered as a child. Since the closing of the filing window on December 31, 2022, we have been informed of 154 cases filed against our Diocese. The reopening of the window has made every Diocese in California susceptible to more claims. What we are facing gives us the opportunity to redouble our efforts in creating a safe environment for everyone in and out of the church and address real issues in atoning for the sin of clergy abuse against children.

I have been discerning as to how our Diocese will continue to atone for the sin of clergy abuse and as I discern further, I want to share with you two definitive goals:

- To make sure we are handling claims of abuse with equitable compassion and resolving those claims as fairly as possible.
- To ensure the continuation of ministry within our Diocese

Throughout the past months I have been working with our College of Consultors, the Diocesan Finance Council, my own staff and professionals retained by the Diocese to consider all options available to us. After much consultation and careful thought, I have decided that the Diocese will file a petition for Chapter 11 Bankruptcy with the United States Bankruptcy Court in 2024. I expect to file that petition in August.

Filing for Chapter 11 will allow us to address the substantial number of claims brought forth by victims collectively, and it will allow us to address those claims honestly, compassionately and equitably.

Requesting a court-supervised reorganization is the only path that allows us to meet the goals stated above. The reorganization ensures all victims are compensated fairly and funds are not depleted by the first few cases addressed. The process also allows the operations of our schools, parishes and organizations to continue uninterrupted, since the only entity filing for bankruptcy protection is the corporate sole, known legally as *The Roman Catholic Bishop of Fresno*. Catholic Charities and *The Fresno Diocese Education Corporation*, which operates the schools are separate legal or ecclesial entities and will not be filing for bankruptcy protection.

The reality of filing for Chapter 11 bankruptcy will surely raise some questions from the faithful. Our Office of Communications has established a list of frequently asked questions for your reference. There is still much we do not know, but I am committing to you the faithful, to provide you with more information as we move forward.

When I hear how many lives were affected by clergy sexual abuse, my heart truly breaks. I imagine many of you are dismayed by the news of our serious financial situation, but I ask you to let go of your distress and turn your hearts towards the victims of abuse.

In Christ,
The Most Reverend Joseph V. Brennan
Bishop of the Diocese of Fresno

HOW DID THE DIOCESE GET IN THIS SITUATION?

We are in this situation because of grievous sins committed by individual clergy and a smaller number of the laity in the Diocese. It is these evil acts that brought us to this place - not the survivors of sexual abuse seeking justice.

WHY DOES THE DIOCESE HAVE TO FILE FOR BANKRUPTCY?

Based on the total expense required to resolve these claims, it is possible the Diocese could be rendered insolvent. Under the circumstances, the Diocese needs to seek a reorganization under Chapter 11 of the Bankruptcy Code. Chapter 11 is a financial reorganization process that allows the filing entity to continue its operations while attempting to resolve its liabilities. Many dioceses and archdioceses and related Catholic entities around the country, including several in California, have already filed for Chapter 11 and are attempting to reorganize their financial affairs under the supervision of the United States Bankruptcy Court.

Bankruptcy is a costly and lengthy process, but it does provide a framework to bring all parties together under the supervision of the bankruptcy court to resolve claims with the resources available.

Importantly, in the context of a diocesan bankruptcy, survivors of clergy sexual abuse would be represented in a bankruptcy proceeding by a Unsecured Creditors' Committee, and a fund would be established for distribution to the survivors as fairly as possible, once their claims are allowed after an expedited mediation process.

IS FILING BANKRUPTCY A WAY TO HIDE ASSETS FROM VICTIMS?

No. The Chapter 11 process is extremely transparent and public. All the debtor's assets are put on the table and creditors – and the public – see all the assets available to resolve claims.

HOW CAN THERE BE SO MANY NEW CASES?

In 2018, the California Legislature approved AB 218, a bill that lifted the statute of limitations for three years on child sex abuse litigation and allowed survivors to file suits regardless of when the abuse occurred. That three-year "window" for filing cases that otherwise would have been barred closed on December 31, 2022.

The vast majority of the claims are alleged to have occurred prior to Diocese's reforms and improved safeguards in 2002. While this does not diminish the evil that was done, it does convey some hope that the measures we have taken to safeguard the young and vulnerable are working.

WHO WILL PAY FOR THESE CLAIMS?

The Diocese, as in the past, will pay for the claims from funds that are available to be used for such purposes. In addition, there is some insurance to cover abuse that occurred in past decades.

HOW CAN THE FAITHFUL HELP?

Our Bishop has asked everyone in the Diocese to pray, persistently, for the survivors of clergy sexual abuse. The pain caused by the sins committed against these innocent survivors is unending, and so our prayers for their healing must be unending as well. Parishioners also can help by working every day to help ensure these horrible sins are not repeated. We must make the protection of the young and vulnerable a cornerstone of who we are as People of God. Parishioners, school parents and others can seek out the Safe Environment Program in their parish (please see Amy Lowe in the parish office to make sure that you, as a St. Brigid parish volunteer, have completed all of the necessary Safe Environment requirements!) and commit to being a vigilant advocate for the safety of the young and vulnerable.

We recognize these are not all the questions you may have, and more are sure to arise as the situation becomes clearer. We will continue to update and inform the people of our Diocese in the coming weeks and months.

La Biblia y la Virgen María: recorriendo las Sagradas Escrituras

Con Subtitulos en Español

Journey Through Scripture (El Camino a Través de las Escrituras) es el programa dinámico de estudio de Biblia de St. Paul Center diseñado para ayudar Católicos ordinarios a crecer en su conocimiento de las Escrituras al mismo tiempo que profundizan su entendimiento de las riquezas de nuestra fe. Distintivamente Católico, Journey Through Scripture lee la Biblia desde el corazón de la Iglesia, usando tanto el Antiguo como el Nuevo Testamento y relacionándolos entre sí. Tiene su raíz en la historia, aunque de una manera activa utiliza temas que enfrentan los Católicos hoy en día. Más que simplemente un estudio ordinario de Biblia, es una catequesis bíblica.
